ANDREW MUIRHEAD ELECTED CRA CHAIRMAN

Andrew Muirhead of Slough based specialist contractor Structural Renovations Ltd, has been elected Chairman of the UK Concrete Repair Association (CRA). Previously Deputy Chairman of the Association, he assumed the position from Mike Hackett of specialist contractor Makers UK Ltd at the Association's recent Annual General Meeting.

Andrew Muirhead becomes the twelfth individual to Chair the Association since its inception in 1989. The post is usually held for a two-year period. Mike Hackett will act as Deputy Chairman for an interim period.

The Chairman serves as part of a nine-man CRA Executive Committee, which comprises of the Chairman and the Deputy Chairman, Bob Berry of Concrete Repairs Ltd, Nigel Cox of Dew Construction Ltd, Tom King of Alfred Bagnalls & Sons Ltd, Tony Hansard of Weber Building Solutions, Vince O'Malley of Renocon Ltd, Mike Threadgold of Degussa Construction Chemicals and one other manufacturer member yet to be appointed.

Also at the AGM, Nigel Cox was appointed as Chairman of the newly formed CRA Technical Committee and Tony Leach of Makers UK Ltd, was confirmed as Chairman of the recently set up CRA Health & Safety Committee.

The CRA was formed in 1989 to set high standards of workmanship and technical competence in a hitherto fragmented and unregulated concrete repair industry. As well as being able to demonstrate a proven track record and overall proven ability in this specialist construction sector, each full member is currently obliged to be Q.A. accredited to ISO 9001, to comply with the Association's stringent Codes of Practice and its training requirements.

Further details concerning the Association can be obtained from The Secretary, Concrete Repair Association, Association House, 99 West Street, Farnham, Surrey GU7 7EN. Tel: 01252 739145. Fax: 01252 739140. Email: cra@associationhouse.org.uk Website: www.cra.org.uk
